Objective

Join a production company, ad agency or in house brand where I'm able to integrate my creative & production experience to enhance the delivery of content and programming at any budget.

Summary

- Line Producer, UPM & AD for commercials, videos, promos, digital and long form content.
- Bidding, budgeting and scheduling from treatments or boards through post
- Oversee all aspects of pre production & shooting including travel, shooting schedule, talent & location contracts and permits
- Organize production schedules for client, agency & production company
- Worked in most major cities across the country and many around the world
- Produce budgets from 25k to 2.5 million
- Create a cohesive environment for all personnel to deliver the best content
- Hire all department heads from casting to crew
- Coordinate & manage post production as needed
- Liaison between production company, record label, agency and/or client
